

## CAMP HALL INDUSTRIAL + AVIAN COMMONS ARCHITECTURAL REVIEW BOARD OVERVIEW

The Camp Hall Architectural Review Board is the entity responsible for reviewing and approving all developments located within the Industrial and Avian Commons areas of Camp Hall to ensure alignment with the Design Guidelines. The Design Guidelines provide standards for architecture, site layout, stormwater, landscape, lighting, signage and construction and include appendices with all applications. All ARB correspondence shall be sent to [camphallarb@gmail.com](mailto:camphallarb@gmail.com).

- All applications can be found in Design Guideline Appendix
- A Preliminary Site Plan will be required in conjunction with the Initial Meeting; applicant can expect a response within 5 business days of submittal.
- Normal ARB meetings occur the 1st and 3rd Tuesdays of the month as needed with submittals due 2 Fridays before by 5pm.
